

## MUSCLEPREP

### **DIRECTIONS**

MusclePrep is a non-corrosive, water diluted, concrete-etching compound that will quickly remove excess mortar from the floor, leaving an ideal surface for epoxy adhesion. Mix 3 quarts of water per 1 quart of prep. Pour onto surface and scrub using a shop broom or scrub brush.

### **CLEAN-UP**

PLEASE REFER TO THE SDS SHEETS FOR MORE DETAILED PRECAUTIONARY MEASURES, HANDLING INSTRUCTIONS AND EMERGENCY PROCEDURES.

Contains organic salts. Vapors can cause irritation to eyes, nose and throat, headache, nausea and/or mental confusion. Use with adequate ventilation and avoid inhalation of vapors. May cause irritation to skin, dry skin, swelling and cracking. Avoid contact by wearing protective clothing and washing thoroughly after use. May cause irritation and possible corneal clouding to eyes—wear chemical goggles. Never wear contact lenses when using this product. Store in a dry location.
